Honorable Daniel J. Flood
House of Representatives
Washington 25, D. C.

Dear Mr. Flood:

Thank you for your letter of 5 January asking for any further comments I might have on the letter which you received from [redacted] and brought to my attention some time ago. We appreciate your continuing interest in this matter, and wish to assure you that the document contributed by [redacted] on the Cuban situation has been carefully studied by our area analysts and the facts contained therein evaluated in terms of other information available.

A great deal of attention is being given to the matter of Communist infiltration in Cuba and we are obtaining reports on the subject from many sources. While [redacted] statements were read with interest, the frank consensus is that this particular report does not add measurably to the information we already have.

Nonetheless, we are grateful for any information received, and hope that you will continue to forward material of this kind to us.

Sincerely,

SIGNED

Allen W. Dulles
Director
